MEDICATION FOR OPIOID USE DISORDER WAIVER TRAINING

*Hosted by the Michigan Opioid
Prescribing Engagement Network (OPEN)
& the Michigan Emergency Department
Improvement Collaborative (MEDIC)*

MARCH 4, 2021 8:30 AM - 6:00 PM

This is a **free** PCSS virtual training with live instructors, case studies, and discussion. This course satisfies 8 hours of physician training required by federal law to prescribe buprenorphine, the most effective treatment for Opioid Use Disorder.

Registration will open in **January 2021**
