

The Central Michigan Recovery and Education Network invites all healthcare professionals to

# SUBSTANCE USE DISORDER IN THE SUBPOPULATIONS

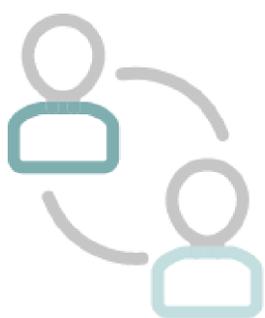

This virtual, continuing education event explores how stigma, COVID-19, and acute care impact those with SUD/OD. It will also provide an additional focus on SUD/OD in pregnant women and tribal communities.

1 hour of SUD continuing education is being offered for each session held. The event and CEU credits are offered at no charge, courtesy of CMREN.

April 26th-30th from 11am-12pm

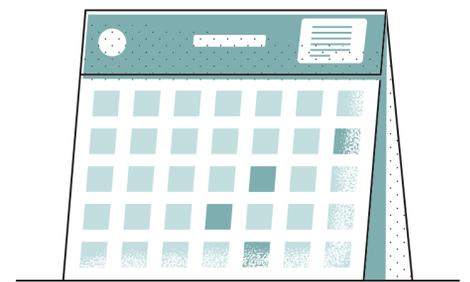

Register for one or multiple Zoom sessions below!

# SERIES SCHEDULE

**April 26th**

## ***The Role of Acute Care Prescribing in the Opioid Epidemic***

Dr. Chad Brummett – University of Michigan Medical School

This presentation will cover the critical components of curbing the nationwide opioid epidemic. It will also promote responsible opioid prescribing among clinicians and disseminate best practices in acute care opioid prescribing to providers around the state.

*No SW credits will be awarded for this presentation.*

**April 27th**

## ***Fatal Overdose Risk Factors: COVID-19 Edition***

Chloe Bielby – Western Michigan University School of Medicine

The presentation will cover overdose rates historically and the impact COVID has had on the increase in 2020; Demographics and social factors of those who have fatally overdosed; and will cover the 12 counties this Medical Examiner Office serves.

**April 28th**

## ***Opioid Use Disorders in Pregnancy***

Nancy Renn-Bugai – Spectrum Health GREAT MOMs Program

This presentation will discuss recommendations for treatment during pregnancy, delivery, and postpartum for pregnant women with an opioid use disorder and care of the mother-infant dyad.

**April 29th**

## ***Integrative Justice: A Healthcare Approach for Treatment Courts***

Judge Patrick Shannon – Saginaw Chippewa Indian Tribal Court

This presentation will provide a timeline for the growth of the Tribal Court's client-centered Healing to Well Treatment Program with its reliance and focus on public health, medical, and nursing theories.

**April 30th**

## ***Moving Beyond Stigma***

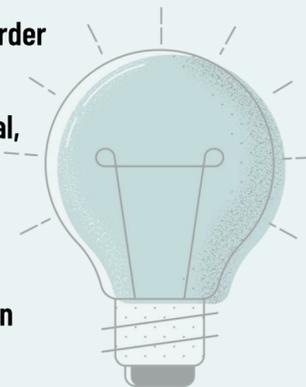

Monica Walker – Michigan Opioid Prescribing Engagement Network (MI OPEN)

This presentation will assess the role that stigma plays in creating barriers to seeking, achieving, and maintaining recovery from an opioid use disorder.

## **SERIES OBJECTIVES**

- Discuss how substance use disorder/opioid use disorder (SUD/OUD) impacts various subpopulations
- Address stigma related to SUD/OUD from an individual, family, community, and provider perspective
- Manage the treatment and recovery for various subpopulations with SUD/OUD
- Identify causes of SUD/OUD morbidity and mortality in various populations

## **DISCLOSURES & ACCREDITATION**

Chad Brummett, MD, speaker, has received funding from NIH Common Fund UM1 NS118922 and is a consultant for Heron Therapeutics and Vertex Pharmaceuticals. None of the other event planner(s) and speaker(s) have relevant financial relationships to disclose with ineligible companies whose primary business is producing, marketing, selling, re-selling, or distributing healthcare products use by or on patients.

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of Central Michigan University College of Medicine and Central Michigan Recovery and Education Network. Central Michigan University College of Medicine is accredited by the ACCME to provide continuing medical education for physicians.

Central Michigan University College of Medicine designates this live activity for a maximum of 5.0 *AMA PRA Category 1 Credits*<sup>™</sup>. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

The Central Michigan University Social Work Program, an accredited social work education program, is authorized by the Michigan Licensure Law Administrative Rule 338.2965 to award Michigan social work continuing education contact hours. For this program, 4 CEH(s) will be awarded.
