

# Perioperative Pain Management & Care Coordination

## Free Online Course | Continuing Education Credit

This evidence-based educational opportunity will empower clinicians to directly impact the opioid epidemic by learning and implementing best-practice care management during the perioperative period.

The combined modules, designed primarily for primary care physicians, Advanced Practice Providers, and residents, satisfy Michigan's licensure requirement of **three** hours of pain and symptom management continuing medical education (CME) credits.

### Module 1: The Role of Acute Care Prescribing in the Opioid Epidemic

Jennifer Waljee, MD, MPH, MS

Release Date: Oct. 7, 2020 | Expiration Date: Mar. 31, 2022

Altarum designates this other learning activity for a maximum of 1.25 AMA PRA Category 1 Credit(s)<sup>™</sup>. The activity includes one online educational activity, two journal article readings, knowledge assessments, and an activity evaluation. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

### Module 2: Perioperative Pain Care Management

Jennifer Waljee, MD, MPH, MS

Release Date: Oct. 7, 2020 | Expiration Date: Mar. 31, 2022

Altarum designates this other learning activity for a maximum of 1.75 AMA PRA Category 1 Credit(s)<sup>™</sup>. The activity includes one online educational activity, two journal article readings, knowledge assessments, and an activity evaluation. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Participants may take either module or both. The modules do not need to be completed in one sitting. Participants may begin working on a module, save their progress, and return later to finish.

*Altarum is accredited by the Michigan State Medical Society to provide continuing medical education for physicians.*
