

TAKE A.C.T.I.O.N. NALOXONE TRAINING

When someone is experiencing an overdose, every second matters. Knowing what to do – and quickly – can help save their life and give them an opportunity for recovery.

OPEN

Evidence. Resources. Engagement.

[Michigan-OPEN.org](https://michigan-open.org)

This training will:

- Describe what opioids are and risk factors that contribute to an opioid overdose.
- Detect the signs and symptoms of an opioid overdose.
- Demonstrate how to respond to an overdose using life-saving Naloxone.
- Understand the Michigan legislature around Naloxone.

Who should take this training:

- First responders
- Community leaders and members
